 5. The appliances is for household use only. Do not use appliances for other than domestic use.

- use.

 9. The appliance is not to be used by children or person with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given
- Children being supervised not to play with the appliances.
 Replacement of cord instruction (if damaged then replaced by service agents).

Technical Specifications	
Description	CG MG 5052B
Colour	White & Black
Power	500W
RPM	19000-21000
Voltage	220V, 50 Hz AC
Wire length	1.80 MTR
Power Socket	3 Pin 3 Core - 6AMP - 250V
Jar Material	Stainless Steel
Blade Type	Detachable
No. of Blades	2
Overload Protection	Circuit Breaker -

Congratulational on choosing our CG Mixer Grinder. The mixer grinder is warranted only against manufacturing defects as per the Warranty card enclosed.

GRINDING INSTRUCTIONS

IDLI, DOSA, UTTAPPAM, APPAM, PESARATTU, VADAI

- Soak Rice / Dal for 4 to 5 hours required.
